HAPPY TO HELP

List of Healthcare Workers providing help in the form of Telemedicine/ Online Consultations

DISCLAIMER

The patients approaching the healthcare workers of SVGA Medical Wing for Tele/Online Consultation (from the below given list) have agreed for this by his/her own actions/consent. The consulting healthcare providers won't be held responsible for any issues related to negligence, evaluation, management & treatment. The Healthcare provider should ensure complete confidentiality of the treating patient and they also can verify the credentials and contact details (Verify and Confirm Patient Identity of the treating patient by name, age, address, email ID, phone number, registered ID or any other identification) as may be deemed to be appropriate. The Healthcare provider shall display the registration number all the time accorded to him/her by the respective authorised body. A Healthcare provider would use his/her professional discretion to gather the type & extent of adequate & appropriate patient information (history/examination findings/ investigation reports/ any specific medical condition/ past records etc.) required to be able to exercise proper clinical diagnosis, understanding and judgement. Telemedicine will not only encourage social distancing and safety of both in special situations of epidemics /pandemics/ contagious infections but contacting the healthcare workers will also relieve/diminish their anxiety in the situation of complete lockdown. The technology used for telemedicine has some risks & limitations, which can be mitigated through appropriate training, enforcement of standards, protocols & guidelines from time to time given by district, state and central governing bodies of the respective nation.

Note: We assume that the consulting patient has read and understood the disclaimer and then only approached the healthcare workers for consultation at their own risk / wish/ actions.
